

# NIDISH M | WEB DEVELOPER

Bangalore - 560036 | 866-095-2070 | nidish.m7@gmail.com

## - SUMMARY -

Highly motivated web enthusiastic aspiring to be a web developer in a firm where I am challenged with responsibilities to contribute my creativity and knowledge. Currently working as an automation engineer in TCS.

## - WORK HISTORY -

### TATA CONSULTANCY SERVICES | BANGALORE

Associate

August 2021 to Present

Joined the firm straight after graduating. Got the opportunity to work in an automation project, where day to day tasks involved designing and executing QA tests using scripts that automatically test functionality using python selenium.

## - EDUCATION -

### CAMBRIDGE INSTITUTE OF TECHNOLOGY | BANGLORE

EC Engineering , Bachelor

August 2017 to August 2021

Have graduated as an electronics and communication engineer with a CGPA of 8.25. My final year project was an anti theft vehicle security system, which was a low budget security system.
